

# Sidcup Rotary Club

Celebrating our 75th Anniversay

**RoSET**  
*ROTARY CLUB OF SIDCUP EDUCATIONAL TRUST*

**1st July 2010 - 30 June 2011**

To celebrate its long involvement with the local community the club is planning a number of fundraising events which it hopes will benefit local voluntary organisations including our own Rotary Club of Sidcup Educational Trust (RoSET). Subject to a modest registration fee participants can raise money for RoSET or the local charity of their choice. Overleaf is a provisional timetable for the various events.

We hope that local charities, churches, schools and youth organisations together with their families and friends will all take part.
